FOR IMMEDIATE RELEASE

BOILER 2022 Exhibit Sales Exceed Expectations – Leadership Keeps Exhibits Members Only

Vienna, VA – October 21, 2021 – ABMA is thrilled by our members' response to BOILER 2022 - ABMA's Boiler Technology Conference & Expo with over 60 member companies already securing exhibit space along with numerous others expressing interest in participating.

BOILER 2022 is scheduled to take place April 11-13, 2022 at the Hyatt Regency in Dallas, TX and will be the first and only event focused exclusively on the boiler supply chain.

Earlier this month, the ABMA Leadership decided to not open exhibit sales to non-members at this time. ABMA Chair Doug Wright, President & CEO of Superior Boiler stated, "With six months until our event, we have already sold more than 80% of our total exhibit space and the current trends give us confidence that our member companies will sell out the exhibit hall in the coming months."

Members should visit **BOILER2022.com** to secure exhibit space for the limited number that remain and obtain more information.
